

Andy Leichy

CHIEF ACCOUNTING OFFICER

Andy is T-Square Engineering's Chief Accounting Officer. Prior to joining the firm in 2021, he was an Accounting Analyst for Marathon Petroleum Company (MPC), where he oversaw all capital and material transactions at the Robinson, IL refinery including chemical, catalyst and royalty reporting. Andy also served as a Project Control specialist for MPC where he was the lead accountant tasked with overseeing budgets, forecasting, and daily expense tracking for numerous large-scale projects.

An Illinois native, Andy began his accounting career in 2005 at Martin, Hood, Friese & Associates (MHFA) in the audit and tax preparatory practices. While at MHFA, he was an auditor with experience in numerous industries including construction, agriculture, and employee benefit plans. In 2008, he joined Bolin Transport, LLC, a multi-service business where he oversaw all accounting functions including excise and sales tax reporting and licensure setup in 30+ states.

EDUCATION

B.S. in Business Accountancy
Eastern Illinois University
