

Curtis Stewart, L.A.

DIRECTOR OF LAND PLANNING

Curtis Stewart is a registered Landscape Architect with more than 30 years' experience creating aesthetically pleasing and environmentally responsive spaces across multiple landscape scales. From master plans of thousands of acres to intimate residential site design, Curtis specializes in blending the physical opportunities and challenges of a site with a client's programmatic needs to reveal unique and engaging landscapes. Adding 14 years as an Associate Professor in Landscape Architecture and Landscape Design, Curtis brings a wealth of knowledge to our collaborative design team.
